

**COCOON SERIES**

**FLOS**

IT ALL STARTED WITH COCOON... IN 1959 ARTURO EISENKEIL FROM MERANO, AN IMPORTER OF COCOON, A SPRAY-ON PLASTIC COATING PRODUCED IN THE UNITED STATES, WAS TRACKING DOWN POSSIBLE APPLICATIONS FOR THIS NEW MATERIAL. THIS MARKED THE BEGINNING OF OUR LONG-STANDING ASSOCIATION IN THE AREA OF DESIGN WITH THE CASTIGLIONI BROTHERS AND TOBIA SCARPA. THE FIRST COCOON LAMPS EVER CREATED WERE THE OFFSPRING OF THIS COLLABORATION: VISCONTEA, TARAXACUM AND GATTO BY THE CASTIGLIONI BROTHERS AND FANTASMA BY SCARPA.
